THIS PAGE INTENTIONALLY LEFT BLANK

Are YOU an active member?

Are YOU an active member,
the kind who would be missed?

Or are you just contented
that your name is on the list?

Do you attend each meeting
and mingle with the flock?

Or do you stay away
and criticise and knock?

Do you take an active part
to help the work along?

Or are you satisfied
to be the kind that just belongs?

Do you ever help committees,
to see that there's no tricks?

Or leave the work to just a few
and talk about the cliques?

So come along to meetings
and help with hand and heart.

Don't be just a member,
but take an active part.

Think it over, people,
you know right from wrong.

Are you an active member,
or do you ... just belong?
