# Are YOU an active member?

Are YOU an active member,  
the kind who would be missed?

Or are you just contented  
that your name is on the list?

Do you attend each meeting  
and mingle with the flock?

Or do you stay away  
and criticise and knock?

Do you take an active part  
to help the work along?

Or are you satisfied  
to be the kind that just belongs?

Do you ever help committees,  
to see that there's no tricks?

Or leave the work to just a few  
and talk about the cliques?

So come along to meetings  
and help with hand and heart.

Don't be just a member,  
but take an active part.

Think it over, people,  
you know right from wrong.

Are you an active member,  
or do you ... just belong?
