

ZONE REPS REPORT NOVEMBER 14

AGM

Was held in October. There was a tie for vice president and new election with Adrian Dowall won over Peter Favalaro. Congratulations to Adrian.

Thank you to Jim for attending the State council meeting after the AGM whilst I was away on holidays and basically this meeting is the appointment of the sub committees that run the events through the year.

Nothing much to report except we had two Award of Merit candidates who were Kirilee Hosier from Eltham Pony Club and Jessica Martin from Mount Evelyn Pony Club. Congratulations to these girls and I believe they have now both been awarded their awards.

Vale

It is with much sadness that I report that the previous Vice President of PCAV Vicki Connelly passed away last week. She was recently appointed president of PCA and has over many years been a terrific ambassador for pony club. She will be greatly missed both at PCA, Rules committee and she is a Show Jumping and dressage TD.

PRO RATA MEMBERSHIP will remain the same as from 1st January pro rata for Junior is \$95.00 and \$100 for senior. The treasurer warned that there will be an increase next year because fees have not increased for a few years and she would rather put them up gradually than have a big increase.

INTERZONE TEAMS HORSE TRIALS

Date could be changed due to the conditions being wet up at PCAV Equestrian Centre at Gladysdale in July and August. Looking for alternate date may be September or October. Will advise when known.

YARDING AT EVENTS

Don't forget that from 1/1/15 We follow EA rules in relation to yarding. Tape yards will not be permitted.

PONY CLUB VICTORIA EQUESTRIAN CENTRE

Name changed from PCAV park to above. Going to be an open day to everyone on Sunday 14th December, 2014. There is going to be a working bee for anyone who wants to help out can they please let me know. We need some people to help me to do some painting. Dates when confirmed will be passed around but if interested please see me. There will be a free sausage sizzle and guided tours.

All events bar the interzone which will be there in 2015 and the national games will be held at PCVEC as from 2016.

ZONE QUALIFIER IN NOVEMBER

A reminder to DCs that all riders who ride at this event must be prepared to ride at State should they be successful. Please ensure that you advise all riders as riders in the past have told us that they have not been told and it has created problems for the zone and for riders.

RULE CHANGES

There will be some new rule changes next year which will be on line from 1st January, 2015. Please make sure that if you are competing or holding an event that you read all changes and are up to date. Can't tell you the rules as yet because they have to be passed by State Council at the November meeting.

As this is the last meeting for the year I wish everyone a merry Christmas and will see you all next year.
