Kate Wilson will also put together a Long Reining Workshop at Tooradin early in the new year.

Next year's DCI/ZA workshop dates will be worked out at the CIP Nov meeting and put on the calendar. All clubs/coaches should be checking calendar for update opportunities and training.

Coach membership online has been revised for remainder of financial year. ALL coaches to complete online registration for coach membership through TryBooking.

If coaches want to become NCAS Accredited they still need to complete a paper application to have books sent through to begin. All forms available on website under the coaching/education tab – follow menus to find links.
