Annual report from DCI/ZA panel

We as a panel meet 4 times in the last 12 months, and have approx. 10 members on the panel.

Once again been a busy year for the NMZ DCI/ZA panel, with many certificates been examined across the zone,

Successful Brenda Mitton clinics also been run this year , with a big thank you to Kylie Parker and many others for putting in so much effort to make these clinics happen.

A small but successful instruction and NCAS day was run in june at PCV park.

In the next 12 months we have much to do, with the new syllabus of instruction coming , the running of the Yerringberg clinic , Info night, the certificates , clinics and another State workshop most likely too.

I would like to thank the members of the panel that help perform the many tasks that we deliver as well as the many others within the Zone that help us when asked.

Regards rob
