

ZONE REPORT 9<sup>TH</sup> AUGUST, 2017

### **GOVERNANCE**

We had a talk from Margot Foster from Talk the Talk Sport attended the meeting and spoke to the State Council about governance and changes. She is going to assist the governance committee in steering them in the right direction so that our new constitution will incorporate all changes required to bring it up to date and satisfy our needs. She had previously spoken to all State councillors about what we thought needed changing in the constitution. It is hoped that our new constitution will be ready for discussion and a road show will come to all zones to explain the changes to club before voting on the amendments at the AGM in 2018.

### **MEMBERSHIP SURVEY**

The feedback from the survey has some meaningful data. The final report was due at the end of July but it is going to take some time to summarise and identify the trends. The second quantitative part of the survey will then go out to the riding members so more should come in on this by the September meeting.

### **STATE BASED ACCREDITATION PROGRAM – BUILDING ACCREDITATION**

All zones are to submit their current list of course accreditors and what continuing education they are doing to PCV.

### **TETRATHLON EQUIPMENT**

PCV has purchased pistols and targets for development of this sport.

### **HEATHCOTE & DISTRICT PONY CLUB PROBATIONARY MEMBERSHIP**

Probationary membership has been granted to this club. Looks like it will have a membership in the vicinity of 35.

### **CHIEF INSTRUCTORS PANEL**

Congratulations to Rob Welch who is our new chief instructor with Prue King retiring. Rob has been endorsed by PCV. A big thank you to Prue King for doing a tremendous job in steering the panel.

### **TETRATHLON**

Darcy Wade has been selected to travel to Budapest & Youth Olympics to compete there. A great achievement

### **DRESSAGE FESTIVAL AT WERRIBEE 10<sup>TH</sup> DECEMBER 2017**

This is running again on the 10<sup>th</sup> December.

Cheers

Linda Smith NMZ zone rep
