NMZ Facebook Page

Getting lots of entry forms! Thanks to those that have sent through photos would love more photos/stories to share. Thanks to Eltham for sending through their story about their club. Remember to tell you riders and parents this resource is for them, so they need to know about it! Riders are more than welcome to send things in too 😊

Ride to Time

Speaking to some of the riders that attended the first ride to time session. They had a wonderful time and really enjoyed getting out on the track and doing something different! We have two more coming up ahead of the State Championships. I hope they have a blast!
