

13.9.2017

CI Report as given verbally at the North Metro Zone meeting on the 13.9.2017.

1. Began with introducing myself personally as the new Chief Instructor for the North Metro Zone.
2. Would like to extend a big thank you to Prudence King, being my predecessor and doing a wonderful job representing our zone.
3. A big thank you to Lauren Howes, as she will be from time to time doing reports for me at the zone meeting
4. Explained my role and the role of the DCI/ZA panel and encouraging clubs to contact myself or DCI/ZA panel members at anytime to help with issues regarding instructors, gradings and riders and also a club visit if required.
5. Expressed concerns with some of the gear, which is appearing at gear checks within the zone. Clubs are reminded of the comfort and safety of the horse and rider in regards to correct gear.
6. Please continue to send copies of dressage tests to myself, and I will forward them on.
7. Correction - Please note, I reported at the meeting of new dressage tests for 2018, this is incorrect, what I was meant to say was a new coaching and accreditation system for dressage judges will be implemented in 2018. The present dressage tests remain unchanged. Sorry for any confusion.
8. Hopefully, the new PCV website will be up and running. My details are still to be found under zone assistant on the current website as it has not been updated as yet.
9. A DC information night will be held at Ringwood PC in November, date to be advised. The evening will be aimed at coaching, grading of riders and rally coordination.
10. The DCI/ZA panel have agreed to accommodate the lower grades at the Yeringberg eventing clinic next year.
11. My contact details are as follows:
